You Will Need an Oil Stove

When warm days and the kitchen fire make cooking a burden-then is the time to try a New Perfection Wick Blue Flame Oil Cook-Stove.

Marvelous how this stove does away with kitchen discomforts how cool it keeps the room in comparison with conditions when the coal

fire was burning. The quick concentrated heat of the

NEW PERFECTION Wick Blue Flame Oil Cook-Stove

goes directly to boil the kettle or bake the bread, and none is diffused about the room to overheat it. Thus using the "New Perfection" is real kitchen comfort. Made in three sizes and fully warranted. If not with your dealer, write our nearest agency.
